

Cove Hollow Community Notification

Beginning March 23, 2021, law enforcement officers are enforcing a Montgomery County Circuit Court order on Yellow Finch Road.

To ensure safety of the people at the work site we must keep the roads clear for medical access and evacuation. **We are therefore restricting public access.** Only residents of Cove Hollow, Berry Patch, and Yellow Finch Roads will be admitted. Please have identification available for law enforcement officers who are staged at various points of Cove Hollow Road.

We encourage residents to continue their normal daily activities, knowing ingress and egress on Cove Hollow Road could be delayed, so please plan accordingly. Additionally, we ask that you do not attempt to access any of the work areas by foot, since it is an active construction area.

The safety of your community and of those involved is paramount to bringing resolution to the situation and we appreciate your cooperation!
